

While our mission team was gone in the last week or two, it got me to thinking a lot about the whole idea doing missions and being on mission. Most of you know how my mind works (or doesn't!) at times. The whole thought of our people out doing things to help others and carrying the name of Jesus with them got me to thinking about being on mission and that led my brain to the old Blue's Brothers movie. In a scene or two Jake and Elway tell people they are on a "mission from God." Now, I don't mean to imply that any of our folks remind me of John Belushi or Dan Akroyd but I do believe they feel that they were on a "mission from God."

Our folks went to Florida with the distinct belief that God was leading them there and He showed that in many ways. Get them to tell you about their time in ministry. Did you know this?: WE ARE ALL ON A MISSION FROM GOD – or should be! Throughout scripture, the narrative tells us to be sharing. It tells us to be caring. And it tells us to do this in the name of Jesus. That's being on mission, whether you are in your back yard, down town, on a trip, or in another country. Sharing Jesus and caring for others is, in simple terms, what we are called to be about while on our mission from God.

My questions for all of us are: Are you on a mission from God? If so, can you share with others what you do and how it connects to God? If not, WHY NOT? Think about that and let God lead you in His mission!

Blessings, Pastor Dan

I would like to thank my Church Family for the prayers, visits, phone calls and cards when I had my hip replacement. A special thank you to Judy Gibson for coming to the hospital to be with my family during surgery, then back the following day to see me. Also, a big thank you to Ilene Cotter for the delicious food. God Bless You, Vinita Ware

FEBRUARY IS NATIONAL HEART MONTH

Do you have high cholesterol or high blood pressure? Have members of your family suffered from these ailments? Do you have a poor diet?

If you answer "yes" to any of these questions, you may want to consider being screened for your risk of stroke through the services of Life Line Screening. Life Line Screening uses ultrasound technology to view the plaque build-up in your carotid arteries, the main arteries that carry blood to the brain. Blockages in these arteries are a leading cause of stroke. We are pleased to host this Life Line Screening event 2/11/2019 at First Baptist Church of Savannah. Register for a Wellness Package with Heart Rhythm for \$149. All screenings take 60-90 minutes to complete. [Your Health is in Your Hands, so call 1-888-653-6441 or go to www.lifelinescreening.com/communitycircle](http://www.lifelinescreening.com/communitycircle) or text the word **circle** to **797979** for more information or to pre-register.
