

Happy July everyone!!!

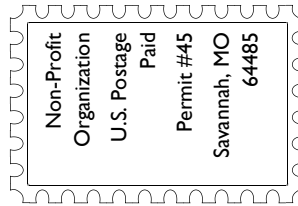

The biggest question I have at this moment is, where has the year gone? Its already July and seems like only yesterday we were celebrating Christmas. Now, in just a few short months we'll be right back into the holiday season once more. To say this year has gone by fast is understatement. To say this year has gone by without anything exciting happening, is the understatement of the decade. So much has changed in so little time. Jobs, businesses, and even churches have been completely changed in the blink of an eye due to COVID-19.

And while it may give you a headache trying to keep up with all these changes, we as the Church must keep our eyes on the one thing that does NOT change...the love of Jesus Christ.

John 13:34 says, **"A new commandment I give to you, that you love one another: just as I have love you, you also are to love one another."** This Scripture comes as only a mere fraction of the overall point Jesus was coming to as He spoke about the God's children, and love. Like any good teacher, Jesus not only tells us how we are to love one another, but he shows us by living it out every day of His earthly life. These past few months have been rough. So many changes and so many ups and downs... We followers of Christ have hopefully pulled fast to Him during this time and leaned on His strength through the tough days. But what about those out there who do not have Jesus as their savior? What about those who have not had the Holy Spirit to lead, guide and direct them? What about those out there who do not have a relationship with an unconditionally loving Father in heaven? Well, they have.....you.

You and I, and all believers, are called to be ambassadors for Christ. WE ARE CALLED TO SHARE HIS LOVE BY SHOWING HIS LOVE. In the midst of the storm we tend to cower down and wait for it to pass. Can I challenge you today to stand up boldly, even as the storm rages, and simply show the love of Christ? When you do that, you might be surprised at just how quickly the storm passes, and you just might be the lifeline someone had been searching for. Show others who Jesus is today by sharing His love with them.

**YAY!!!**

**As a church, we have opened back up!!**

Our children's Sunday School will be all together to start with.

Our youth (6th grade thru 12th grade) and our adult Sunday School classes will meet like they used to - in their own classrooms.

Nursery will be provided. However, there will be some changes. Please see the "Rules & Procedures" for our Nursery.

We will start having greeters, ushers, nursery workers, van drivers, security team, visitation team, and deacons of the week. Please watch the enlightener, the bulletin, etc. to see if you are serving. If you cannot make it at your scheduled time, please contact the church office.

This is completely open to your discretion. If you do not feel comfortable coming, please stay home. If you want to wear a mask, please do so. It is all up to what you are comfortable with.

Thank you and **GOD BLESS!**
