

Greetings Dear Brothers and Sisters in Christ,

I thank God for each of you, though we can't all be together. I'm not sure about you, but I don't think I've ever used the word "pivot" so much in my life!

The latest pivot has been our Wednesday night children's activities. Because some of our faithful volunteers are active in jobs that have them around a lot of people, they are not wanting to come back to church to volunteer yet. Others have health conditions that continue to have them not being around people who are not family members.

With that in mind, I have planned a program that would have people meet in the sanctuary in their family unit (at least one adult would need to attend with their children) from 6 to 6:30 pm. I have selected some materials from KidStory@Home. "Families will learn and discuss Bible stories together which can continue throughout the week. Families are having their spiritual, social, and emotional tanks filled. Children are given responsibilities and learn to lead. Children see your faith in action as they hear your highs and lows in following Jesus."

May God be glorified,
Stephanie Mefford
